SARASOTA - Six-year-old, Ella Taylor, is turning lemonade into love for others. Taylor hosted a lemonade-stand Sunday morning, donating all proceeds to meals on wheels. Meals on Wheels of Sarasota delivers around 500 meals each day, and heavily relies on volunteers and donations to make a difference. Taylor says she just wanted to find a way to help the hungry.

"I wanted to be nice and work for other people, we're just making them feel better," said Taylor.

Taylor says she hopes to inspire more people on the Suncoast to help those less fortunate.
